

## **Collagen Induction Therapy:**

### **Hands On Microneedling for Acupuncturists 201**

Collagen induction therapy, also known as microneedling, has deep roots in TCM. This live class will teach you everything you need to confidently integrate microneedling into your practice safely and effectively.

There will be a demonstration in techniques and hands on practice in class. Collagen Induction Therapy: Microneedling for Acupuncturists 101 is a prerequisite to taking this class. The prerequisite is included upon registration for the hands on course. Access will be granted with your purchase of the bundle.

**\*\*This is a hands on course, students will be practicing microneedling as well as receiving a microneedling treatment. If you are unable to receive treatment please reach out prior to registering to see if we can accomodate you.**
